Docket No. 2000-105

February 23, 2000

CENTRAL MAINE POWER COMPANY
Proposed Revisions to Optional Targeted
Service Rate: One Price/One Bill for
Health Care and Educational Facilities
(B-HCEF)

ORDER APPROVING
RATE SCHEDULES

WELCH, Chairman; NUGENT and DIAMOND, Commissioners

On February 4, 2000, Central Maine Power Company (CMP) filed with this Commission revisions to its Optional Targeted Service Rate: One Price/One Bill for Health Care and Educational Facilities (B-HCEF). Consistent with the assumptions used in Docket No. 97-580, these revisions cancel this discount program as of March 1, 2000. At that time, all B-HCEF customers will be moved to their regular retail rate and, according to CMP, most of these customers will be better off as a result. However, for customers that would have been better off to continue being served under their B-HCEF contract, CMP will refund the difference between the retail rate and rate B-HCEF through the term of the customer's contract. The customers participating in this program have agreed to this approach.

Accordingly, we
